Poly Savi 8420 Office Stereo DECT 1920-1930 MHz Headset

Built for the modern office

Ready for the modern office with an intuitive user interface on the universal base that can connect to almost any Savi headset. Ensure flexibility for users with the ability to connect from your computer, desk phone or mobile phone [1].

Be heard clearly With the Poly Savi 8400 Office series headset system, you can stay focused on your tasks while enjoying crystal-clear conversations thanks to a noise-canceling microphone with close conversation limiting.	**Untether from your desk** Enjoy the convenience of hands-free calling and a longer roaming range with the Poly Savi 8400 office series. With up to 13 hours of talk time and the ability to roam up to 590 ft / 180 m means you can keep the calls going, even away from the desk [2].	**Multi-device connectivity** Designed for the modern office with 3-way connectivity, the Poly Savi 8400 office series is the perfect solution for business calls allowing you to stay connected in the office. You can even conference four headsets together with the base for increased productivity.

3-way connectivity
Manage all your calls with a compatible single base that offers 3-way connectivity – computer, desk phone and mobile.

Crystal-clear calls
Reduce background sounds for the person you are talking to with a noise-canceling microphone and close conversation limiting while you stay in the zone with active noise canceling.

Take it further
Everyone can move, multitask, and get more done with up to 13 hours of talk time on a single charge. Convenient voice prompts notify of mute status, wireless range limit and more.

Privacy is ensured
Privacy of your conversation is ensured: DECT™ security-certified headset.
