Blackwire 7225

Built better for business, by design

CORDED, BOOMLESS STEREO HEADSET

Blackwire 7225

Help office professionals block out distractions and boost productivity with Blackwire 7225, the corded boomless UC&C headset with either USB-A or USB-C connectivity. In noisy office environments, Blackwire 7225 delivers an immersive experience to focus on work while listening to media in hi-fi stereo. When it's time to collaborate via audio or video, active noise canceling (ANC) reduces background noise for the speaker. The pioneering boomless design meets office professionals' needs for a stylish headset that looks and sounds great for listening to media or collaborating on voice or video calls.

KEY FEATURES

A Four microphone boomless design

B Comfort metal headband and ultra-soft leatherette ear cushions provide all-day comfort

C Call answer/end, mute and volume controls

D USB-A or USB-C connector with visual mute indicator

INCLUDED ACCESSORIES

- Carrying case for portability and storage of headset
