

Poly Small/Medium Room Kit with Poly Studio and HP PC

See the Regulatory Notices for all regulatory and safety guidance prior to configuration.

Avant de procéder à la configuration, veuillez consulter les Avis de réglementation, afin de prendre connaissance des recommandations en matière de sécurité et de réglementation.

Get Started

Before you begin, make sure that you have the following:

- Display HDMI cable(s)
- Phillips #1 screwdriver and flathead screwdriver
- (Optional) EDID emulator (see step 7)

Unpack the Poly Studio, Poly GC8, HP PC, and 10 m USB-A to USB-C cable from their boxes. Note that the HP PC is shipped separately.

Note: To avoid changes to the video configuration, do not use the Poly Studio remote control.
