INTELLIGENT CAMERA FOR LARGE MEETING ROOMS

BENEFITS

- Life-like video with dual cameras each with their own 4K+ sensor.
- Poly DirectorAI smart camera technology ensures everyone is seen clearly with pinpoint accurate automatic framing and tracking.
- Added security with motorized, integrated electronic privacy shutter.
- Connects easily to Microsoft Teams Rooms on Windows, Zoom Rooms on Windows and Poly G7500 for streamlined deployments.

POLY STUDIO E70

The Poly Studio E70 is a first of its kind intelligent camera that brings mind-blowing video quality and advanced analytics to modern meeting rooms. Dual cameras with 4K sensors are boosted by Poly DirectorAI smart camera technology to create an unparalleled video experience, perfect for hybrid working environments. The ability to seamlessly transition between a wide angle and narrow lens means that everyone in the room is seen in sharp detail. With Poly Lens enabling worry-free deployment and management, all you'll need to do is immerse yourself in a truly life-like meeting experience.

- Dual cameras with 4K sensors.
- Poly DirectorAI smart camera technology.
- Motorized, integrated electronic privacy shutter.
- Includes Poly Lens management software.
